## STAFF SPOTLIGHT

Meet Ms. Dani 😊 She is a Junior at Thomas More University and is studying Elementary Education with a minor in Special Education. This is her third year teaching at St. Joseph's. She is Ms. April's Aide and Ms. April and the students love having her in the classroom!

Besides being Ms. April's Aide, she also eagerly jumps in to fill in wherever she is needed. She has learned the other classrooms' routines and takes over when necessary. Since she's in college for education, she's very knowledgeable and a big help working with your children. She also does a great job taking over Circle Time in the morning or running an activity with the class for Ms. April when she has items to attend to. Ms. Dani is a natural teacher! 😊

Starting in January, Ms. Dani will have a very busy school schedule, and sadly will not be able to work in Ms. April's classroom any more, but will remain as a sub for us. Everyone will miss her contagious smile :) and bubbly personality. We wish her the best of luck as she makes her way to becoming a teacher! We LOVE you Ms. Dani ❤️
