St. Joseph Camp Springs Pre-K

TEACHER SPOTLIGHT

Meet Ms. Vanessa. She is one of our 4yr old teachers. She's been working at St. Joe's since 2018! She started out as an aide and now has her own class of kiddos to teach!

Ms. Vanessa said, "I love teaching! I am a recent, second time cancer survivor. It reminds me that every day is a blessing and I thank Jesus for this constantly!"

She is married to John and they have two children, Kai and Emma. They love camping, tending to their vegetable and butterfly gardens, and having family dance parties! She is thankful to be living her dream!

She loves her students and has so much fun watching them learn. Her class has already been busy learning letters, numbers, cooking and so much more. It's going to be an amazing year!

Conservation District Grant

Thanks to Mr. Mike for taking the time to get a grant for the Pre-K, so we could have 4 trees planted in our Outdoor Learning Center. Guidugli Landscape planted a maple, redbud, magnolia, and persimmon tree. The children watched and assisted in the process. We look forward to the shade they will provide in the future! Thanks also to Steve Faye for helping out.
